

## EFFECTIVE TEAM BUILDING

ONE DAY TRAINING COURSE

### COURSE OVERVIEW

Effective organizational or team performance is based on a clear understanding of the shared goals, strategies & work plans, along with the individual roles and responsibilities of team members.

Equally important are inter-personal qualities of trust, communication, and mutual accountability. Therefore it takes a collaborative effort of each team member to help the company to achieve its ultimate objectives.

### COURSE OVERVIEW

Teamwork is defined as a co-operative effort by a group or team to achieve a common goal. This team building workshop will help the participants to work with collaboration as one unit to achieve shared organizational objectives.

Team building is about providing the skills, training and resources that your people need, so that they can work in harmony. But, to be truly effective, it needs to be a continual process.
