

MANAGER THE LEADER

ONE DAY TRAINING COURSE

COURSE OVERVIEW

There is a famous quote which says that people leave companies because of bad bosses. Managers are the middle management layer who direct impact on the company's growth. If we teach them leadership and grow them as a leader they can literally help the company to grow at fast pace in short span of time.

Participants will be trained to be able to perform as leaders rather micro managers through modern leadership concepts.

COURSE OVERVIEW

This course has been designed for the corporate managers & professionals to equip them with the right tools, management and leadership methodologies to be needed to perform their job effectively and efficiently at their work.

Participants will enjoy learning activities and game plays to absorb the complex concepts through fun learning techniques & modern leadership tools.
